COMMENT ON STATEMENT OF REASONS FOR ALLOWANCE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The Examiner's statement of reasons for allowance, accompanying the Notice of Allowance dated February 28, 2005, identifies a number of distinguishing features of the invention. It is to be noted that the totality of these features is not recited in each claim. Rather, the various independent claims recite different subsets of these features.

Accordingly, each claim must be interpreted individually for the specific combination of features that it recites. The patentability of the claims is not limited to a display having the totality of the features listed in the statement.

Respectfully submitted,

BURNS, DOANE, SWECKER & MATHIS, L.L.P.
